Wing-A-Lings is best known for their award-winning barbecue seasonings and rubs but one that stands out from the rest is their Fee-Fi-Fo Fish Rub.

“We’ve had it on the market with our other products, but it doesn’t get enough acknowledgments,” said Shanin Stoddard, owner of Wing-A-Lings. “With us, they’re thinking dry rub, barbecue, ribs, chicken, steak, and they’re not thinking fish.”

The rub was entered into the Specialty Food Association’s SOFI Awards. that includes about 180,000 entries and a blind taste test by professional chefs.

Wing-A-Lings suggests adding their seasoning to breading before deep-frying fish. It can be used with shrimp and scallops too! Fee-Fi-Fo Fish Rub works great with salmon. All you need to do is season it before putting it in the oven!

Wing-A-Lings has a rub or seasoning to add a delicious spice to any dish. Their Over The Moon Steak Rub has also won competitions in Wisconsin. These rubs can be mixed and matched so you can expand your flavors in the kitchen.
